REGRETS CAMPAIGN IS BEING RUN BY OUTSIDE PEOPLE

Senator O. J. Tallman, Lehigh County Addresses Republican Women

DEMOCRATS IGNORED

Says Democratic Party Has Never Made Statement On Taft-Hartley Law

(Special to The Courier)

ALLENTOWN, Aug. 30—Senator O. J. Tallman, majority leader of the State Senate, last night said that "it's a sad situation to find our opposition in this Congressional campaign being run by a committee and not by the Democratic Party."

Speaking before a large meeting at the Lichtenwauter-Congress hall held under the sponsorship of the Emmaus Council of Republican Women, at the Emmaus American Legion Hall, Tallman said that the situation in which Democratic Party leaders find themselves was a source of regret to him because of his personal and profound beliefs in the American two-party system.

"Two strong parties have helped make America strong," he said, "and we of Lehigh county particularly know that because two strong parties have been factors behind good government and strong representation here."

"They have come here because they don't like the Taft-Hartley Law. By 'they' I mean professional union leaders. So far as I can learn the Democratic Party has not said nationally or locally that it was against the Taft-Hartley Law. It hardly could—since a majority of its Democratic Congressmen voted the bill into law yet the committee candidate has accepted the issue from the far-off places."

Franklin H. Lichtenwauter, Speaker of the State House of Representatives, and candidate for Congress from the 8th Congressional Lehigh-Bucks county district, also spoke, emphasizing the issues of the campaign which will be resolved on September 9 at the special general

THE GREAT GAME OF POLITICS

By FRANK R. KENT

Are We Hooked?

Washington, Aug. 30. THE time seems to have arrived when men should say openly what almost all the informed and experienced are saying privately—to wit, that the United Nations has reached a stage of such complete futility there is exceedingly slight chance the great objective of international co-operation for permanent peace can be effectively achieved through it.

CONSIDERING the bright hopes held out to the world when this agency was launched two years ago, this is a tragic thing to put down. But there is no sense in not facing the facts. Certainly, the day has passed when those who venture to point out that the organization gives no promise of functioning can be swept aside with the smearing charge of isolationism. The simple truth is that the United Nations does not work because the Russians, with their veto power in the Security Council, will not let it work. And, by reason of that same veto power, there is no way to eliminate or sidetrack Russia or otherwise solve the problem.

SO there we are—helplessly tied up in an expensive, elaborate, completely frustrated international association, enormously advertised as

Activities of Interest To All in The Various Communities

GLEANED BY SCRIBES

Speaking to members of the Chalfont Lions Club, Robert Rieber, of the Aero Service Corporation of Philadelphia, asserted that the Aero Corporation has done a great deal of work for the Army and Navy during the war. He stated that prior to the war, all aerial survey was done by the company. At the present time the Army does its own flying and the negatives are sent to the company to be done.

"In taking pictures," Mr. Rieber told the Lions, "each camera is equipped with 48 plates. The exposed plates are brought to the plant where they are developed, and the maps produced. Pilots must be properly trained for this work. An important result of this work is that elevation of mountains and depths of lakes can be determined from these maps." Mr. Rieber illustrated his talk with samples of maps and photographs.

A delegation of Lions from the Harleysville Club attended this meeting.

Levi Yoder, of Silverdale, will be the guest speaker at the Solebury Farmers' Club session this evening when he will choose the subject.

A SUMMARY OF THE NEWS

General Eisenhower told the American Legion convention yesterday that he saw no immediate threat of another war, but warned that in a world divided into two great camps of dictatorships and democracies the friends of freedom must rally to its support or see it driven from the earth by its foes. General Eisenhower, who is soon to assume the presidency of Columbia University, received a tremendous ovation. Admiral Nimitz and General Spaatz joined him in urging that the country be strong to meet any eventuality.

An atomic power plant of revolutionary design, which for the first time uses fast instead of slow neutrons to obtain nuclear energy from plutonium at a controlled rate, has been in successful operation at Los Alamos, N. M., since November, 1946.

At Lake Success, Soviet delegate Gromyko rejected proposals for the creation of an international atomic agency approved by the majority of the twelve members of the United Nations Atomic Energy Commission. He said the plan would give the United States a monopoly.

The State Department declared two years of "utmost" effort to achieve agreement with Moscow on

Variety of Presents Are Bestowed on Local Miss

UNION MEMBERS BACK MAIN PARTS OF TAFT-HARTLEY LABOR ACT

Because the invading CIO labor bosses have made the Taft-Hartley Labor Law the big issue of the special Congressional election in this district, it is interesting to find the answer to this question:

"WHAT DO THE UNION MEMBERS THEMSELVES THINK OF THE MAIN PROVISIONS OF THE LAW?"

For this purpose, a private opinion poll was taken by the Opinion Research Corporation, of Princeton.

Here is how the union members voted:

Requiring union financial reports—85 per cent favor.

Allow union shops only with majority vote—77 per cent favor.

Permit checkoffs only with employees' consent—74 per cent favor.

Suits against the unions—70 per cent favor.

Freedom of speech for employees—61 per cent favor.

Delaying strikes in public services—70 per cent favor.

These seven points cover most of the important changes in labor relations made by the Taft-Hartley Act.

LABOR UNION MEMBERS FAVORED THEM ALL—BY OVERWHELMING MAJORITIES!

Two other points in the act were included in the survey. On the question of banning closed shops, nearly half (48 per cent) of the union members were in favor. On this question, however, the poll found it impossible to go into the distinctions between the "closed" shop and the "union" shop. Had the workers understood that the Taft-Hartley Act, while prohibiting closed shops, does permit union shops, the result might have been different.

In this connection, a minor phase of the report becomes immensely important. Ninety per cent of the union workers got all their information about the Taft-Hartley bill from newspapers, the radio and general comment—ONLY 10 PER CENT HAD BEEN ABLE TO LEARN ABOUT IT FROM UNION PUBLICATIONS!

That there has been a serious breakdown in the responsibility of union leadership to keep its membership correctly informed on the facts about so important a union question as the new U. S. Labor Law becomes startlingly clear.

To Address Meeting

Hon. Franklin H. Lichtenwauter

The principal mid-county Republican rally of the Congressional campaign will be held at the Royal Republican Clubhouse, Buckingham, on Tuesday, September 2, at 8 p. m.

The Republican nominee to fill the vacancy caused by the death of Congressman Charles L. Gerlach last May, the Hon. Franklin H. Lichtenwauter, will be the speaker of the evening.

The campaign, which will culminate in a special election to be held in connection with the regular fall primary, on September 9, has raised issues which make it of nationwide importance.

After the rally, refreshments will be served.

NEW MOTHER SUPERIOR IS ASSIGNED LOCALLY

Mother Germaine Returns To St. Mark's; Will Head School Faculty

ST. ANN'S TO OPEN

Bristol's two parochial schools have set Tuesday, September 2nd, as their opening date this term. The schools are St. Mark's and St. Ann's.

At St. Mark's, a new Mother Superior, Mother Germaine, will be in charge. Mother Germaine, who was stationed in Bristol about six years ago in the same capacity, has succeeded Mother Teresita, who has been assigned to a Philadelphia post.

General renovations are being carried out at the school on Radcliffe street, with some painting being done on the interior; and the fire escapes improved. The renovations will require about two months longer, plans being to repair the roof and coping, and to repoint the stone walls of the building.

Full sessions at the school will be in order on September 3rd, the opening day having but a half session.

Ten members of the Sisters of the Most Holy Trinity will again be in charge of the pupils at St. Ann's parochial school, Logan street, when sessions for the new term open on Tuesday, September 2nd.

The same grades as have been taught there previously will be conducted—kindergarten through 9th and 10th grade commercial.

In the basement wash-rooms, tile and marble walls, ceilings and floors have been installed, officials at the school report.

The interior of the building has been painted, and desks shelled. Registration was conducted on August 27th, 28th and 29th.

PLAN EXPANSION PROGRAM FOR THE SELL-PERK SHOW

7th Annual Exhibit Is Set For September 25th, 26th, 27th

ALSO SCOUT EXHIBIT

Several New Departments To Be Added for Competitive Exhibits

PERKASIE, Aug. 30—A decision has been reached to add several new departments for competitive exhibits to the Sell-Perk Farm Show. The seventh annual show is to take place in the Sell-Perk high school from September 25th to 27th inclusive.

Boy Scouts of the entire county will be invited to exhibit their handiwork for which substantial cash prizes will be awarded and an appropriation was authorized for awards in competitive exhibits by Granges.

It was also decided to double the space for commercial exhibits. The committee believes that this year exhibits of farm machinery, autos and trucks, as well as electrical household equipment will far surpass such exhibits in former years and the committee in charge of this department has been instructed to develop to the limit, this phase of the exhibit.

With few exceptions, classification lists will remain as in the past. One of the exceptions is the poultry exhibit, which has been discontinued because of the restrictions imposed by the state to control certain poultry diseases.

The committee will again publish a complete program in booklet form. Solicitors last week began work on compiling advertising and each departmental head is requested to prepare its premium lists at the earliest possible moment.

Feature attractions were discussed and final action was deferred until the meeting on Wednesday evening.

Red Cross Warns Holiday Motorists

Edwin M. Clark, Accident Prevention chairman of the Southeastern Pennsylvania Chapter of American Red Cross, this week warned pedestrian and motorist alike to exercise extreme caution during the Labor Day week-end lest the holiday traffic toll reach a new high this year.

Mr. Clark pointed out that there were 6 traffic deaths in the Philadelphia area and 246 throughout the nation during the same holiday period last year. Over the entire year, he added, traffic accidents in Philadelphia reached an alarming total of 16,502; this was a 17 per cent increase over 1945.

"There is no need for this tragic steady climb," Mr. Clark said. "Traffic aftermaths to holiday fun can be materially reduced by a simple awareness of the hazards of travel on the part of auto drivers and pedestrians, and at least a minimum willingness to observe a few traffic regulations. Each of us should consider it a personal responsibility to make our streets and highways safe."

Mr. Clark also observed that a little fundamental courtesy on the part of pedestrians would help a lot. Quoting a recent description which has already become a classic, he termed pedestrians "the craziest people a driver will ever run into."

Red Cross safety hints: FOR DRIVERS: Remember this is holiday traffic. Start early, take it easy, and arrive safely; don't mix driving with alcohol; check tires, brakes, lights and other mechanical equipment before starting out.

FOR PEDESTRIANS: Cross streets only on green lights, and at intersection walks; keep children from playing in the street; on highways walk to the left, facing approaching traffic, and at night wear something white so you can be seen; don't dart from behind parked cars on busy streets.

Man Accused of a Car Theft Taken Into Custody

The man accused of stealing the car of Mrs. Paul V. Forster, 507 Radcliffe street, from in front of the Forster residence on August 4th, has been taken into custody by Philadelphia police.

Stephen Wyjadka, Philadelphia, is being held by the police of that city. Chief Bucks County Detective Anthony Russo and Police Officer Van-zant left Bristol this morning to bring Wyjadka back to Bristol.

According to Chief of Police Lin-ford J. Jones, Wyjadka will stand trial here.

Today's Quiet Moment

By the Rev. Vernon Murray
Pastor
Wilkinson Memorial Methodist
Church, Croydon

Our Father, today we see Thee as the Father of the Resurrection. Our hearts rejoice when we think that some day we too shall rise even as Jesus did, and be caught up to meet Thee. In this day there shall be no more death, neither sorrow nor crying, no more pain, for these former things shall have passed away. We pray Thee that when they ring the golden bells we will not be found elsewhere. Help us to press toward the mark for the prize of the high calling of God in Christ Jesus, for Jesus' sake. Amen.

BADENHAUSEN TIE DEMOCRAT CLUB WITH SCORE 5 TO 5

Score Was Deadlocked In Last Half of Seventh Inning

TO PLAY OFF THE TIE

Sallustio and Deans Were The Opposing Moundsmen

After waiting three evenings, the Democrat Club and Badenhause finally managed to get in their elimination game but as far as settling anything, it meant nothing, as the teams battled to a 5-5 deadlock on the Third Ward diamond. The game will be replayed Tuesday evening.

The Badenhause team deadlocked the score in the last half of the seventh inning after the Democrats had taken a 5-3 lead by scoring a trio of tallies.

Angelo Sallustio and "Hughie" Deans were the opposing moundsmen with Sallustio giving up seven hits and Badenhause, six. Only one extra base hit was made in the game, "Hokey" Leighton slugging a double in the second inning.

Singles by Bob Griffen, "Jake" Praul, and Leo Hibbs, plus a fielder's choice and an error gave the batter-makers the two runs which tied the count.

Previous to that, the Democrat Club had scored three times on hits by H. Keys, Leighton and Sallustio, a walk to McCoy and a hit batsman.

"Howie" Keyes made several nice catches in left field for the Democrats and had two hits with the stick. Praul had three out of four for Badenhause.

POST MAY FIGHT IN ST. ANN'S ARENA

Walter Post, the 360-pound "Humphries" of amateur boxing, will probably be one of the contestants of the amateur boxing show to be conducted here next Wednesday night at the St. Ann's Arena.

Officials of the boxing show are making every effort to match Post with "Eddie" Wilson of Philadelphia. These boys recently fought at Holy Saviour, Norristown, and like the "Humphries" of the comic strip, Post let Wilson hit him with everything and failed to budge.

This is but one of the eight bouts which the match-maker would like to give to the fans of this section before the opening of their indoor boxing season, which will come in the latter part of September.

The last two shows conducted here were of the highest calibre and the officials will spare no expense to secure the top-notch bouts for the Bristol fans.

Regrets Campaign Is Being Run By Outsiders

election.

Earlier in the evening, Joseph B. Walker, prominent Allentown attorney and veteran of both World Wars, spoke in behalf of Mr. Lichtenwalter over the radio stating in an address entitled "The Veterans' Point of View."

Mr. Walker, junior vice-commander of the Herbert Paul Netz Post, No. 89, American Legion, said that an inquiry into the voting record of Mr. Lichtenwalter on veterans' legislation had found that record "perfect."

He pointed out that the bonus for ex-servicemen and women in Pennsylvania will be one of the largest granted to veterans among all the states in the Union. He said the bill providing the bonus, along with innumerable other pieces of legislation for which Mr. Lichtenwalter worried and voted as Speaker of the Pennsylvania House of Representatives, had given Lehigh county veterans special reason to support the Republican candidate for Congress.

The attorney termed Mr. Lichtenwalter "an experienced legislator whose steadfast allegiance to the American way of life, and concern for the welfare of Lehigh county and Pennsylvania, has been proven by long and distinguished public service."

Mrs. Edward J. Staude Exonerated By Jurors

QUAKERTOWN, Aug. 30 — Mrs. Edward J. Staude, 37, of Telford, was exonerated by a coroner's jury of any criminal negligence resulting in the accidental death of her friend, Mrs. Valeria J. Moyer, 37, of Telford, on the afternoon of July 18 this year.

The inquest was conducted by Coroner J. Alfred Rigby, of Cornwells Heights, before a jury composed of William H. Frick, Aaron M. Fretz, William F. McKeown, Mary Crotthamel, J. Lloyd Larkins and L. Calvin Pluck.

Mrs. Moyer, the victim, was riding in an automobile with Mrs. Staude on the Bethlehem Pike a half mile north of Sellersville, when the driver lost control during a heavy rain storm. The car skidded and overturned.

Testimony was offered to show that Mrs. Moyer was killed instantly; that her injuries included compound fractures of the skull and a broken neck.

Notice to Advertisers

Due to changed conditions in the publication of a daily newspaper the Courier finds it absolutely necessary to set an advertising "dead-line" and hereafter reserves the right to reject advertising copy received later than seven days previous to the date of publication.

This means that copy for advertising to be inserted in the Thursday issue of the Courier must be in the Courier office not later than noon of the Thursday previous to publication.

The Courier may also find it necessary to reject copy ordered for a certain day due to a shortage of newsprint. The supply of newsprint which the Courier has on hand sometimes does not warrant accepting copy for a certain date as it might on that date make necessary the printing of a paper of more pages than the stock of newsprint on hand warrants.

We trust our advertisers will co-operate with us and they can rest assured that the Courier will do all that is possible. But we do not want advertisers to feel discriminated against if it is found necessary to reject copy for the date ordered.
